

## Perfect Send

The perfect way to send your files.

There's an easy way to send your electronic art to BCT!

- No need to fill out an order form!
- No need to fax your order form and composite!
- No need to email your art!

Now in 1 easy step you can log onto our online order site, [www.orderprinting.com](http://www.orderprinting.com), upload your file, and fill out an online order form. In addition, your file will be pre-flighted at the time of upload, so if there's a problem you will be notified immediately.

In order to use this service, BCT will need to create an online account for you. Contact your BCT Customer Service Representative to have an account set up.
